

# BCIC YOUNG INNOVATOR SCHOLARSHIP AWARD

Form 4.0: Acceptance, Permission and Release Form

## Program Guidelines

This scholarship is awarded to a Grade 11 or 12 student(s) in BC who has developed a science and technology innovation with the potential to benefit British Columbia. The recipient(s) must be selected for Canada-Wide Science Fair 2017 and to receive the award, he/she must enroll full-time at a BC post-secondary institution in one of the following programs: science, technology, engineering, mathematics, digital arts+media+design, business entrepreneurship. A student(s) is eligible to receive only one BCIC Young Innovator Scholarship per academic year.

## Eligibility

To be eligible to receive the scholarship, a winning student(s) must fulfill all of the following conditions:

- The student must be enrolled at a British Columbia post-secondary institution in one of the following programs: Science | Technology | Engineering | Mathematics | Digital Arts+Media+Design | Business Entrepreneurship.
- All required forms and documentation must be submitted within the deadlines stated, no exceptions.

## Scholarship Disbursement

- If a project presented by two students wins the scholarship, then the award value is split between both team members.
- The scholarship(s) will be disbursed directly to the post-secondary institutions in which the winning student(s) are enrolled

## Deferrals

Scholarships may be deferred, provided that the students enroll in a BC post-secondary institution in one of the eligible programs noted above within one (1) year of graduating from Grade 12.

Secondary school from which student graduated		City/Town	
Post-secondary institution   Faculty in which student is enrolled		Department / Program	Date of enrolment / registration

I request that my scholarship be deferred to the 2018-19 academic year.

## Acceptance

For recipient who will begin their first year of undergraduate studies in September 2017.

I accept the BCIC Young Innovator Scholarship according to the terms and conditions outlined in the Program Guidelines and confirm that I will be commencing my first year of undergraduate studies in a science, technology, engineering, mathematics, digital arts+media+design or business entrepreneurship program at a BC post-secondary institution in 2017-18. I agree to inform SFF BC in writing of any substantive changes to my enrolment status and recognize that such changes without prior written consent could result in review and potential termination of the scholarship.

Signature of student	Date	
<input type="checkbox"/> I have attached a copy of my post-secondary institutions acceptance letter as proof that I am enrolled in an eligible program.	<input type="checkbox"/> I have attached a copy of my post-secondary course time-table for my first academic year as proof that I am enrolled in an eligible program.	

## Permission and Release

To be completed by parent or legal guardian if recipient if under the age of 18 years.

I irrevocably grant to the British Columbia Innovation Council (BCIC) and Science Fair Foundation BC (SFF BC) and any person which through BCIC and SFF BC shall have the right to use, present or transmit pictures, photographs, recording or names all rights of every kind in and to all pictures or photographs made of my child's likeness or sound records made of his/her voice, including, without limitation, the right to present these photographs and sound records through various media and the right to use any such photographs and sound records, or his/her name and school, for promotional purposes without the payment of additional compensation for that.
