

# JOINING A TEAM

## Download the AtlasGO app

Download the AtlasGO app from the App Store or Google Play.

Log in with the email and password you created during registration.

Powered By atlas 

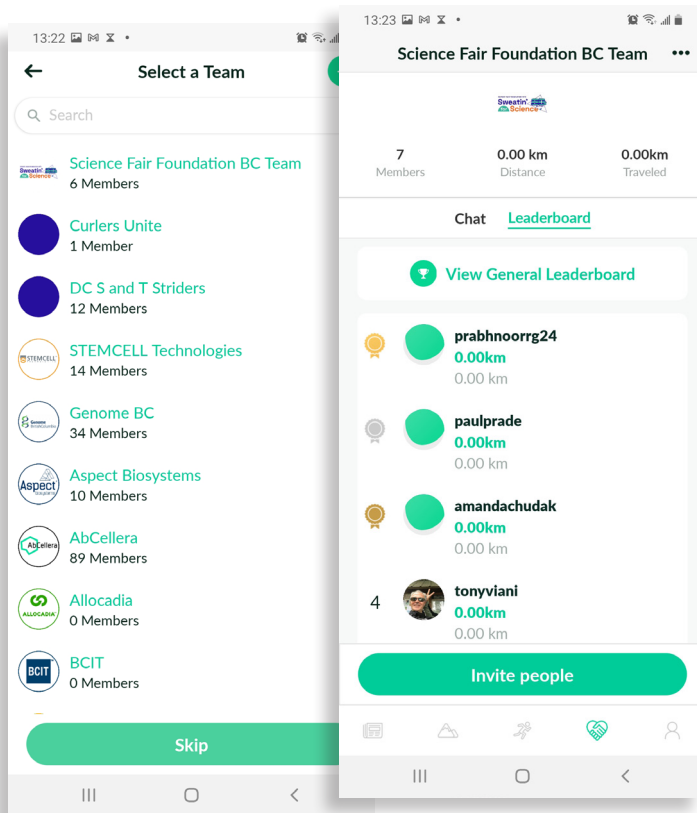

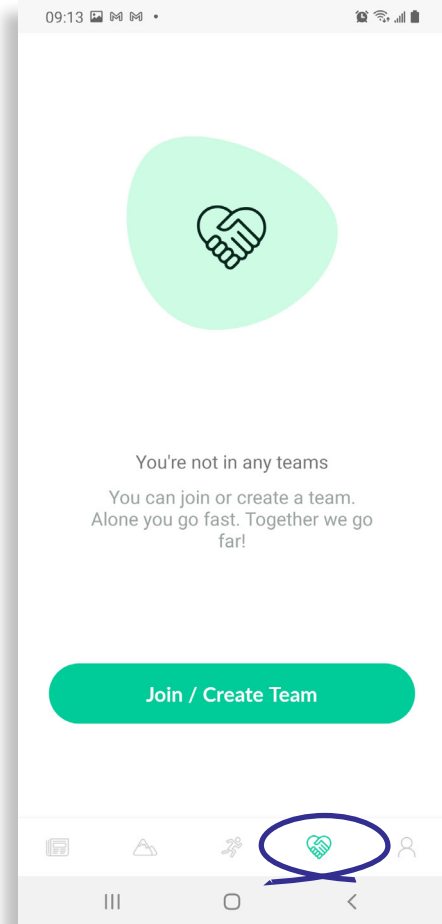

## Navigate to the Team page in the app

Click on this icon on your app to get to the Team page. If you're not already on a team, you can join an existing team, or make your own.

Select a team from the list or Skip this step and go solo.

Once you're on a team, you can see how many people are on your team, track your team's distance travelled, see the leaderboard, and have access to your team's private chat.

Questions about forming or joining a team?
